Luncheon was a Success

The main event

On Saturday, March 14, around fifty alumni and friends of Fudan Fuzhong gathered at Puttanesca in New York City to celebrate the 3rd anniversary of the Overseas Foundation. Alumni from as far as Toronto and Shanghai represented classes from 1979 to 2008. Many old friendships were renewed and new friends were made.

Over the three courses Italian and flow of wine, Director of Fundraising Minhua Zhang ('00) gave a welcoming speech; Fanghua Jiang ('84), President of the Foundation, reviewed Foundation's achievements and financial results from its 2008 operations; Frank Cohn, Executive Director of Globalhood, Inc., delivered the keynote speech with inspirations from his international charity work.

Historically, this event was heavily attended by professionals in the Tri-State areas including many Wall Streeters. It proved to be a terrific opportunity for social networking and for demonstrating your superior brain power and facial expression recognition skills.
