### 2007 Overseas Foundation Social Contribution Award

Riding on the successful fund-raising luncheon earlier this year, the Overseas Foundation proudly presents the inaugural *Social Contribution Award*. The award is designed to recognize current Fuzhong students who have made special contributions to communities outside of the school and family. It intends to remind the younger generation of students that issues in life and society should deserve as much of our attention as wisdoms in the books.

During the competitive application process, the executive committee reviewed a total of 10 self-nominated candidates. We are excited to

recognize Miss Peiyao Sun (11th grade) for her personal commitment to environmental causes and leadership of the Fudan Fuzhong Chapter of Roots and Shoots, and Miss Jingli Zhang (10th grade) for her long-standing commitment to help an underprivileged student from rural China as well as her initiative to involve classmates to the effort. During the May 19th ceremony, each winner was awarded a beautiful trophy and RMB ¥2,000 by Mrs. Fanghua Jiang, president of the Foundation.

The foundation would like to thank all the alumni donors who made this award possible. Your valuable support has found its way to Fuzhong and will hopefully inspire genuine conscience that are invaluable to lives after high school. If you are reading this and have thoughts or suggestions, please send them to [awards@fdfzalumni.org](mailto:awards@fdfzalumni.org). We would love to hear from you. In addition, we would also like to thank Mrs. He Huixiang and Mrs. Chen Keming whose work at Fuzhong ensured the viability and the smooth execution of the award process. We look forward to next year's Social Contribution Award. For more information, please visit <http://www.fdfzalumni.org/index.php?ID=90>
